EXPERIENCE

PryzmWare - *Remote Junior Front-End Developer Intern*

MONTH 2020 - PRESENT

- Consulted directly with the CTO to implement front-end designs and functionality to optimize UI/UX on existing website content.
- Assisted in locating and fixing errors in HTML, CSS/SCSS, Bootstrap, and JavaScript code.

PROJECTS

PryzmWare Website -

- Full front page website built with React.js and styled with Styled Components.
- Used media Queries in the Styled Components to make the website fully responsive. As well as React Scroll to have animated transitions.

Gain -

- A product landing page utilizing bootstrap and CSS/SCSS properties.
- Styled with modern CSS layouts using CSS Grid and FlexBox.

LofiWeather -

- Vanilla JavaScript weather app utilizing JavaScript Animations.
- Implementing OpenWeathers API to obtain Geolocation from the user.
